There will be a special spring leaf pickup the week of April 10, 2017.

The fall leaf pickup usually begins on the second or third week in October and runs through mid-November. Leaves will be picked up as long as the weather permits during this time frame.

Leaves should be raked in a windrow at the curb side or shoulder of the road. **No brush or other plant materials** are to be mixed in with the leaves. (We use a vacuum to pick up the leaves.)

NOTE: The Village of Paw Paw does not pick up trimmings from lawns, hedges, flowers, thorny bushes or other types of garden vegetation.
