

Village of Paw Paw commercial and Industrial electric customers are encouraged to consider our incentives for reducing your electric demand. Beginning November 2, 2009, the Village of Paw is proud to offer three programs for our electric business customers. These are all offered as part of our Energy Optimization Plan, required under Public Act 295 and which is designed to help you save energy and money. Over the next four years, a number of programs will be offered. These are offered this year beginning Nov. 2<sup>nd</sup>. Funding for these programs is limited. Applications will be accepted (on or after Nov. 2<sup>nd</sup>) on a first come, first served basis while funds are available. Please refer to the specific application available from Village Hall. For telephone inquiries please direct your inquiries to 877-NRG-SAV1 (877-674-7281). The grant amount under each program is \$2,500 per type of program.

Eligible businesses are determined by the building's use. The following eligible building uses may participate in any or each of these three programs. They are: Office, Retail, Warehouse, Restaurant, Grocery/Supermarket, Manufacturing, Lodging, School (Elementary or Secondary schools), and Healthcare (Clinic or Hospital).

### **PRESCRIPTIVE APPLICATION LIGHTING MEASURES FOR BUSINESS**

Village of Paw Paw commercial and industrial electric customers can receive technical assistance and financial incentives that help buy-down the cost of implementing energy efficient projects. A Prescriptive Program provides incentives when a customer replaces inefficient equipment with high-efficiency electric technologies on a one-on-one basis. Only new products which are exact product types listed in the application form are eligible for prescriptive incentives. One of the Prescriptive Programs is for Lighting Measures and the other is for Non-Lighting Measures. Please call 877-NRG-SAV1 (877-674-7281) for approval before installation.

### **PRESCRIPTIVE APPLICATION NON-LIGHTING MEASURES FOR BUSINESS CUSTOMERS**

This Prescriptive Program offers a cash incentive for new non-lighting equipment to be installed and old equipment removed. Only new products which are exact product types listed in this form are eligible for prescriptive incentives. Please call 877-NRG-SAV1 (877-674-7281) for approval before installation. Please refer to the specific application available from Village Hall.

### **CUSTOM APPLICATION FOR BUSINESS CUSTOMERS**

A Custom Program provides financial assistance to those large businesses customers engaged in manufacturing, education, and healthcare who wish to make qualified, pre-approved improvements outside the parameters of the Prescriptive Program (see above).
