

Village of Paw Paw

Spring Leaf Pick-Up

Attention Village Residents:

Village workers will be vacuuming leaves up as part of the Village's special Spring leaf pick-up. Remember, there is no burning of leaves or brush in the Village. Your cooperation helps this service go smoothly. Following the easy guidelines will make sure they do not pass by your leaves.

Please:

1. Rake leaves in rows at the edge of the road, not in the roadway.
2. Do not rake them in big piles over 3' in height.
3. Do not mix brush or other plant material in with the leaves.
4. Do not mix lumber, paper, trash or other debris in with the leaves.
5. The Village does not pick up trimmings from lawns, hedges, flowers, thorny bushes or other garden materials.

Questions? call 657-3169.

Thank you for your cooperation.
